4. **Preliminary Approval of Proposed Settlement.** The Court has conducted a preliminary evaluation of the Settlement as set forth in the Agreement. Based on this evaluation, the Court finds that giving notice of the proposed Settlement to the Settlement Class is justified by the Parties' showing that the Court will likely be able to: (i) approve the proposal under Fed. R. Civ. P. 23(e)(2); and (ii) certify the Settlement Class for purposes of judgment on the proposal. The Court preliminarily finds that the Settlement is fair, reasonable, and adequate, and within the range of possible approval, including based on a preliminary finding that: (A) the Class Representatives and Class Counsel have represented and will continue to adequately represent the Settlement Class; (B) the proposed Settlement was negotiated at arm's length; (C) the relief provided for the Class is adequate, taking into account: (i) the costs, risks, and delay of trial and appeal; (ii) the effectiveness of any proposed method of distributing relief to the Class, including the method of processing Class Member claims; (iii) the terms of Class Counsel's intended request for an award of attorney's fees, including timing of payment; and (iv) the terms and provisions under the Parties' Agreement; and (D) the proposal treats Class Members equitably relative to each other. Additionally, the Court finds that the proposed Class Notice (Exs. A-C to the Agreement) provides due and sufficient notice to the Settlement Class and fully satisfies the requirements of due process and Federal Rule of Civil Procedure 23, and that the proposed notice program constitutes the best notice practicable under the circumstances. Therefore, the Court grants preliminary approval of the Settlement, and directs that Class Notice issue as set forth in the Parties' Agreement.

5. **Class Certification for Settlement Purposes Only.** Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court conditionally certifies for purposes of this Settlement only, the following Settlement Class:

All persons who received more than one telephone solicitation from CES regarding Tribune's goods, products, or services in a rolling 12-month period, more than eighteen months after they terminated their relationship with Tribune and whose telephone number was on the National Do Not Call Registry, limited to persons whose phone numbers are on the Class List.

The "Class List" is limited to the 28,412 individuals on the Class List.

6. The Court makes the following determinations as to certification of the Settlement Class:

- a. The Settlement Class is so numerous that joinder of all members is impracticable;
- b. There are questions of law or fact common to the members of the Settlement Class;
- c. The claims of Plaintiff are typical of the claims of the other members of the Settlement Class;
- d. Plaintiff is capable of fairly and adequately protecting the interests of the members of the Settlement Class, in connection with the Settlement Agreement;
- e. Common questions of law and fact predominate over questions affecting only individual members of the Settlement Class;
- f. The Settlement Class is ascertainable; and
- g. Resolution of the Released Claims in this Litigation by way of a nationwide settlement is superior to other available methods for the fair and efficient resolution of the claims of the Settlement Class.

7. **Designation of Class Representatives.** The Court appoints Plaintiff George Moore as representative of the Settlement Class (“Class Representative”) for the sole purpose of seeking a settlement of the Litigation.

8. **Designation of Class Counsel.** Alexander H. Burke and Daniel J. Marovitch of Burke Law Offices, LLC are hereby designated as Class Counsel for the Settlement Class.

9. **Final Approval Hearing.** A hearing regarding final approval of the Settlement will be held at 9:00 a.m. on March 24, 2022, to determine, among other things, whether to: (i) finally approve the Settlement as fair, reasonable, and adequate; (ii) dismiss the Released Claims in the Litigation with prejudice pursuant to the terms of the Settlement Agreement; (iii) bind Settlement Class Members by the Releases set forth in the Settlement Agreement; (iv) permanently bar Settlement Class Members who have not opted out of the Settlement from filing, commencing, prosecuting, intervening in, or participating in (as class members or otherwise) any action in any jurisdiction based on the Released Claims; (v) find that the Class Notice as given was the best notice practicable under the circumstances, is due and sufficient notice to the Settlement Class, and fully satisfies the requirements of due process and Federal Rule of Civil Procedure 23; (vi) approve the plan of distribution of the Settlement Fund; (vii) finally certify the Settlement Class; and (viii) approve requested Attorneys’ Fees and Expenses and the proposed Incentive Award to Plaintiff.

a. The Court approves the Class Notice in the Settlement Agreement, including the Mail, Email and Website Notices attached as Exhibits A-C to the Settlement Agreement and the manner of providing Notice to Settlement Class Members described in Section 6 of the Settlement Agreement. The Court finds that this is the best practicable notice under the circumstances and is reasonably calculated, under all the circumstances, to apprise the Settlement Class Members of the pendency of this Action, the terms of the Settlement Agreement, and their right to object to the Settlement Agreement or exclude themselves from the Settlement Class. The Court further finds that the Mail, Email and Website Notices are reasonable, constitute due, adequate, and sufficient notice to all persons entitled to receive notice, and meet the requirements of due process. The Court hereby directs the Parties and the Settlement Administrator to complete all aspects of the notice plan contemplated under the Agreement no later than December 23, 2021 (“Notice Deadline”).

a. To be valid, the Request for Exclusion must: (a) identify the name and address of the Settlement Class Member requesting exclusion; (b) be personally signed by the Settlement Class Member requesting exclusion; and (c) contain a statement that reasonably indicates a desire to be excluded from the Settlement. c. If 200 or more members of the Settlement Class properly and timely opt out of the Settlement, then the Settlement may be deemed null and void upon notice by Defendant without penalty or sanction.

13. **Objections and Appearances.** Any Settlement Class Member who has not submitted a timely written Request for Exclusion and who complies with the requirements of this Paragraph may object to any aspect of the proposed Settlement either on his or her own or through an attorney hired at his, her, or its expense. Any Settlement Class Member who wishes to object to the Settlement must do so in writing not later than forty-five (45) Days after the Notice Deadline, as specified in the Class Notice and this Preliminary Approval Order. the Settlement Agreement for any reason. In such event, and except as provided therein, the proposed Settlement and Settlement Agreement shall become null and void and be of no further force and effect; the preliminary certification of the Settlement Class for settlement purposes shall be automatically vacated; and the Parties shall retain, without prejudice, any and all objections, arguments, and defenses with respect to class certification.

Neither shall this Order be offered by any person or received against any of the Released Parties as evidence or construed as or deemed to be evidence of any presumption, concession, or admission by any of the Released Parties of:

- a. the truth of the facts alleged by any person or the validity of any claim that has been or could have been asserted in the Litigation or in any litigation, or other judicial or administrative proceeding, or the deficiency of any defense that has been or could have been asserted in the Litigation or in any litigation, or of any liability, negligence, fault or wrongdoing of any of the Released Parties;
